2. FILL OUT ALL FIELDS WITH THE PATIENT'S INFORMATION

It is important to check the email address is correct so that the patient receives their results

The screenshot displays the 'Patient' creation modal in the London Medical Laboratory system. The modal contains the following fields:

- First name***: Text input field.
- Surname***: Text input field.
- Date of birth**: Three dropdown menus for day, month, and year.
- Gender***: Radio buttons for Male, Female, and Prefer not to say.
- Mobile number***: Text input field with a UK flag icon and the number 07400 123456.
- Email***: Text input field.

At the bottom of the modal are two buttons: 'Save changes' (blue) and 'Close' (grey). The background interface includes a 'Search Patient' section with a 'Last name starts with' input and a 'Search' button, and a table with columns: Surname, First Name, Date of Birth, and Email. The table currently shows 'Data not available'.
